

# Renowned FMCG supply chain expert Vineet Khanna collaborates with 4flow as advisor

Former head of supply chain at Nestlé brings over 35 years of expertise for 4flow's consumer goods customers

Vineet Khanna, the former global head of supply chain at Nestlé, will collaborate with 4flow, leading global provider of supply chain consulting, software and managed 4PL services, as an advisor. In his advisory capacity, Vineet Khanna will contribute more than 35 years of experience in supply chain and operational excellence to the team at 4flow. 4flow customers in the FMCG sector will benefit from his deep understanding of the consumer goods industry and supply chain excellence.

"I'm looking forward to this new chapter and am excited to start making an impact for 4flow customers in the FMCG sector together with the 4flow team", commented Vineet Khanna. As the former global head of supply chain at Nestlé, Vineet Khanna brings expertise in managing end-to-end supply chain operations and transformation projects, including demand and supply planning, physical logistics and

sustainability, digital transformations, customer service and materials management. As demonstrated in his role as co-chairman of the Sustainable Supply Chain Initiative (SSCI) at the Consumer Goods Forum (CGF), Vineet Khanna is also committed to promoting social and environmental sustainability and redefining the role of businesses in society for the greater good.

"With his expertise in leading operations and transformation in global consumer goods supply chains, Vineet Khanna will help us add value for our customers in the FMCG industry. In

Vineet Khanna

addition to supporting our growth in the FMCG space, he demonstrates a strong alignment with the 4flow culture. We're excited to welcome him onboard as an advisor", said Julian Schulcz, COO of 4flow and head of 4flow's 4PL business 4flow management.
